

Project: Navy Beach Cottages (military)

Location: Virginia Beach, VA

Contractor: JMC Construction

Project Manager: Ben Bell

Project Start: June 2006

Project Finish: August 2006

Project Detail:

The *Beach Cottages* are ranch style, three bedroom homes with an open kitchen and living areas built for vacation living. These homes are built on pilings and meet the coastal wind zone requirements. Two and three bedroom vacation homes are available.

The exteriors feature hardy plank and a 50-year architectural grade shingle.

Project Highlights:

- Vacation living spaces
- ADA Equipped
- Built on Pilings
- Cathedral Ceilings
